WATER PROJECT 2025

Highlights:

- 3 Slum Areas
- 500+ Families

\$3,000

In Adilabad's water-scarce areas, a timely intervention has brought relief to over 500 poor families. Three borewells were dug in strategic locations to provide access to clean water during the scorching summer months. This initiative has been a lifeline for the residents, ensuring they have a steady supply of water to meet their daily needs.

ROBOTICS PROJECT 2025

STEM ROBOTICS & TEACHERS TRAINING PROGRAM

Revolutionizing Education Through Robotics

Enable the schools to implement one of the best and Internationally acclaimed school - level robotics program.

By intergrating robotics into the curriculum, we're inspiring the next generation of **innovators**, **thinkers** and **leaders**.

Critical Thinking

Creativity

Our program introduces students to Science, Technology, Engineering, and Math (**STEM**) concepts through engaging, hands on experiences. By combining robotics with project-based learning, we foster: Well-rounded skills: advanced technological knowledge, cognitive abilities, social-emotional intelligence, creativity, and critical thinking; problem-solving expertise: Identify, analyze, design, present, and implement solutions; preparation for success: competitiveness, life readiness, respectful living, and global citizenship. By empowering students with robotics skills, we're shaping the next generation of innovators, thinkers, and leaders

World Robot Olympiad (WRO) Nationals 2024

Achievement for Young Robotics Whiz Kids! Two robotic teams, made their mark at the World Robot Olympiad (WRO) Nationals 2024 in Ahmedabad and were placed at 5th & 6th Place.

EDUCATION SUPPORT PROGRAM

Empowering Young Minds!

Strengthening Girl Education

This year our contribution helped expand a school building, accommodating **200** additional students in 2 classrooms and introducing a multipurpose hall for computer/science lab and indoor games/ exams etc.

ESP also aims to empower meritorious and deserving students to pursue higher education. We provide financial assistance to **25** talented individuals who aspire to excel in various fields like postgraduate journalism, CA/ICWA, Law, physiotherapy, nursing, Msc & civil services.

ESP strives to bridge the financial and provide opportunities for deserving students to achieve their academic goals.

PIPELINE PROJECTS FOR THE YEAR 2026

NAIMA is Committed to launching new initiatives that address pressing social issues.

● PREVENTION OF BLINDNESS PROJECT

By Upgrading our facilities and services, we strive to provide quality eye care to those in need, improving lives and promoting healthier communities. We aim to enhance and develop our Ophthalmology unit in 2026, increasing our capacity to serve up to **3500+** patients including **500+** surgeries.

Expanding Eye Care Services

● MOTHER & CHILD CARE

Our Mother & Child Care project aims to provide essential healthcare services to vulnerable mothers and newborns. In 2025, We target to perform: **1,000** FREE deliveries, ensuring safe and healthy births for underprivileged mothers, we strive to make a meaningful difference in the lives of these families.

Empowering Health Beginnings

● PHYSIOTHERAPY UNIT

Physiotherapy Unit to serve up to 1,200 patients in 2025. We'll provide comprehensive rehabilitation services to support the recovery and well-being of our patients.

● CITIZEN SERVICE CENTERS-CSC

As a bridging agency, CSCs connect disadvantaged communities with government departments, facilitating access to essential benefits and services. Our mission is to empower marginalized individuals and families.

- **SKILL DEVELOPMENT CENTERS**

Skill Development Centers offer woman the opportunity to acquire new skills and enhance their employability through computer courses, vocational training etc.

- **AMBULANCE SERVICE**

To strengthen our healthcare services, we aim to introduce a dedicated Ambulance Service. This critical addition will enable us to provide timely emergency response, Ensure safe transportation to medical facilities and enhance patient care and outcomes.

Emergency Care on Wheels

- **ORPHAN SUPPORT EXPANSION : 2026 UPDATE**

Ahamdulillah! we are pleased to announce that our Orphan Support Project has expanded to support an additional 200 orphans in 2026. This growth brings our total number of beneficiaries to 1200 orphans, providing them with essential care, education, and support.
